DualaTM

The Dual Purpose Clean & Shine Floor Pad

Clean & Shine **Regular Speed**

Edge View
Showing Colour
Coded Web

- A dual purpose regular speed clean and shine pad in the one-step with only water
- Made with a proprietary infusion of uniquely added composites
- Increased shine with repeated use
- Long lasting, durable pad has many application possibilities
- Colour coded to indicate when the pad is worn.

Cost effective floor maintenance is easy with just water and this dual purpose clean and shine floor pad under a low speed or autoscrubber floor machine.

DualaTM will take a dull floor and give its surface a clean, bright look, removing surface marks and buffing to a bright shine. DualaTM can be used on a variety of floors including VCT, terrazzo, natural stone, concrete, vinyl and rubber.

As DualaTM continues to be used, the pad increasingly brings back brightness and shine to your floor.

Clean & Shine **High Speed**

Edge View
Showing 2001
Lamination

- Dual purpose high speed clean and shine pad
- Patented Inner Strata Technology for the longest lasting, most durable pads available
- Increased strength for high speed work; can be used low speed also
- Will replace any other high speed clean and shine pad
- Available up to 675mm (27") and in rectangle shapes
- Made with a proprietary infusion of uniquely added composites
- Increases shine with repeated use.

High speed floor maintenance is easier with our DualaTM dual purpose, clean and shine floor pad and water. Its 2001 laminated pad construction is super strong to stop elongation at high speeds. DualaTM will take a dull, marred floor and give its surface a clean, bright shine while removing scuffs and surface marks.

DualaTM can be used on a variety of floors including VCT, terrazzo, natural stone, concrete, vinyl and rubber. Ask for High Speed DualaTM to help improve your high speed floor maintenance schedule.
