### The Magic of Melamine

The Glomesh Melamine regular speed floor pad ushers in the latest in floor cleaning technology.

The Melamine pads are designed to be cross-purpose cleaning tiles and stone floors without the use of harsh chemicals – in fact the only thing that should be added to these pads is water!

When using ensure that the floor surface is wet and the pad is soaked in water, the pad will do the rest.

The pads are highly effective in daily, periodic and deep cleaning floor maintenance scenarios.

The pads come in three sizes: 400mm, 430mm and 450mm.

#### Melamine Pads

Regular Speed Floor Pad Stand-out Features

- Does not require harsh chemicals – Melamine Pads works with water; no chemicals needed. Polish multiple surfaces, including vinyl tile and stone with just water or dry.
- 100% open cell melamine inserts provide high friction soil removal.
