## The Dual Purpose Clean & Shine Floor Pad

### Clean & Shine **Regular Speed**

Edge View  
Showing Colour  
Coded Web

- A dual purpose regular speed clean and shine pad in the one-step with only water
- Made with a proprietary infusion of uniquely added composites
- Increased shine with repeated use
- Long lasting, durable pad has many application possibilities
- Colour coded to indicate when the pad is worn.

Cost effective floor maintenance is easy with just water and this dual purpose clean and shine floor pad under a low speed or autoscrubber floor machine.

Duala™ will take a dull floor and give its surface a clean, bright look, removing surface marks and buffing to a bright shine. Duala™ can be used on a variety of floors including VCT, terrazzo, natural stone, concrete, vinyl and rubber.

As Duala™ continues to be used, the pad increasingly brings back brightness and shine to your floor.

### Clean & Shine **High Speed**

Edge View  
Showing 2001  
Lamination

- Dual purpose high speed clean and shine pad
- Patented Inner Strata Technology for the longest lasting, most durable pads available
- Increased strength for high speed work; can be used low speed also
- Will replace any other high speed clean and shine pad
- Available up to 675mm (27") and in rectangle shapes
- Made with a proprietary infusion of uniquely added composites
- Increases shine with repeated use.

High speed floor maintenance is easier with our Duala™ dual purpose, clean and shine floor pad and water. Its 2001 laminated pad construction is super strong to stop elongation at high speeds. Duala™ will take a dull, marred floor and give its surface a clean, bright shine while removing scuffs and surface marks.

Duala™ can be used on a variety of floors including VCT, terrazzo, natural stone, concrete, vinyl and rubber. Ask for High Speed Duala™ to help improve your high speed floor maintenance schedule.
