## Signature Fragrances

Freshness working in unison!

Uniquely blended Signature Fragrances for washroom systems which, when used together, enhance the other in the system.

Four great fragrances:

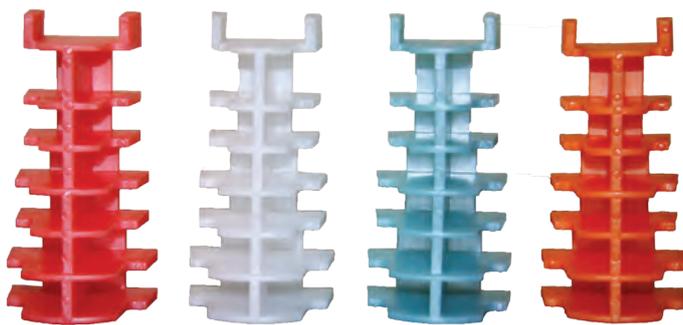

### Scent Aire Signature Fragrances Metered Aerosols

Scent Aire's Signature Metered Aerosol System includes a state-of-the-art Scent Aire Digital Dispenser that automatically delivers a pre-set shot of fragrance spray. It also features aerosols with metered tips to dispense just the right amount of delightful fragrance of your choice. But there's more. Scent Aire Signature Fragrances aerosols don't just *mask* bad odours, they're odour counteractants that *neutralise* strong unpleasant smells and convert them to a beautiful, long lasting fragrance. Digitally programmable so that you can choose start time, spray intervals and day length.

### Scent Aire Signature Fragrances Tower

Exciting new passive deodorant cartridge for freshening the air in almost any size space. Fits in most passive wall dispensers. Forget about worrisome spills or accidents as the solid design of the cartridge eliminates the mess. No batteries needed! Can be placed in bathroom stalls, restrooms, offices, hallways, kitchens, etc.

## Scent Aire Signature Fragrances Toilet Bowl Clip

Specifically designed to fit on the side of any toilet bowl rim. Freshens the immediate areas surrounding the toilet.

## Scent Aire Signature Fragrances Urinal Screen

Two-sided anti-splash texture, preventing splash back and cross contamination of urine to other areas outside the restroom. Extremely flexible to allow proper fit to any urinal contour. Translucent design allows total viewing of the drain to ensure it remains free flowing. Safe for use in waterless urinals.
